EXAMINER'S COMMENTS

Request for Continued Examination

1. The request filed on 5/10/2004 for a Continued Examination (RCE) under 37 CFR 1.114 based on parent Application No. 09766745 is acceptable and a CPA has been established. An action on the CPA is attached.

Response to Arguments

2. Applicant's arguments filed 5/10/2004 have been fully considered and are persuasive.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance: the prior art could not alone or in combination anticipate or make obvious an integral mailer and frame with a frame front panel with an aperture, a frame rear panel with a picture pocket connected to the frame front panel, a mailer rear panel connected to the frame rear panel, and a mailer front panel connected to the mailer rear panel, so that the the panels can be folded to lay on one another in the order as claimed.

The most pertinent prior art, WENKMAN, discloses a three-panel mailer and frame, but does not disclose the use of a mailer rear panel between the frame front panel and the mailer front panel.

Art Unit: 3721

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
